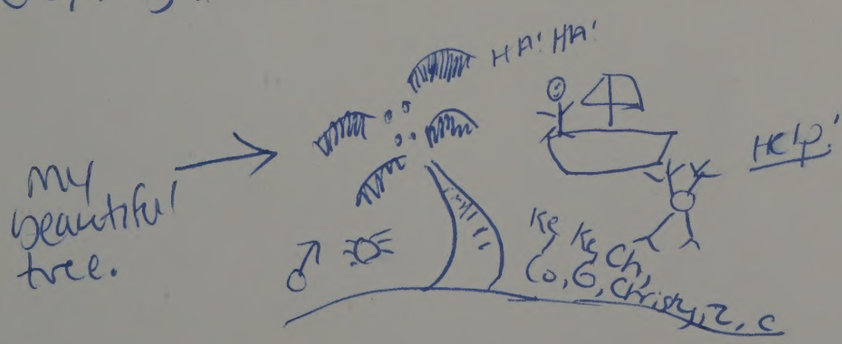
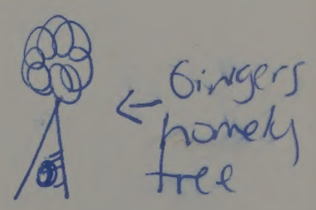
Ginger, Well - "Howdy"! I'm really glad that we have classes together this year - I know it's made this year a better one for you too! (♂ ♀ ☺) Some kind of sign / language! I'm glad you ride the bus in the afternoons, even though you ignore me! (HA! HA!) I take so much abuse from you, it's pathetic, but I really do like your hair! Keep up your piano playing, because I love to listen to your music, and thanks for letting me ruin your songs by trying to write words with them! Have a good summer - I hope you sizzle, fry, and burn as much as I do! Love ya,

Zoe'





Ginger,
I am really glad I had the chance to get to know you better this year. You have been a really terrific friend. (Except when you steal my things) HA! HA! You made this year a really great one, and I hope next year will be just as good, maybe better! I'm really going to miss you over the summer. If I break up with Tommy I'll let you know so you can get him before someone else does HA. HA. Seriously thanks for putting up with me when things weren't going so well. It was really nice to know that you were there to [redacted] sorry and help when you could.

Have ya,
Christy

Ginger,

Well you know one day you will be in my wedding, I can't wait until that day comes. Keep in touch this summer and we can go out sometime in my car. MARK -N- Kristi I love Mark! "Tommy Hawk"

On August 21, 1986, Billy G. Moore passed away. With his death, Wetumpka High School, its students and faculty, lost a loyal and enthusiastic supporter. His absence is missed in many ways, as he was always actively involved in the lives of our young people and the school. The press box at Hohenberg Field seems empty without him there; his artistic talents which he shared so freely—from painting cheerleader megaphones, to lettering athletic awards and painting signs—are sorely missed. Booster Club meetings and the FCA miss his presence too. He always traveled to the football, basketball, and baseball games to cheer his favored Indians on to victory. Baseball season will be strange indeed when Mr. Moore isn't there to take the field with his Strickland's team—or to announce our own Indians—or whatever needs to be done. However, one of the most evident of ways he is missed is as "Tommy Hawk", our talented sports writer in the Herald—who had a way of taking the ordinary sports article and creating one that was fun and interesting to read and that made you wish he'd written more.

"Billy" served as an example of his faith in God, his allegiance to his country, his love of his friends, and his enduring loyalty to his alma mater. With grateful appreciation we dedicate this 1987 We Wa Tumpkis in the memory of our friend, BILLY MOORE.

Faces, Fads, & Friendships have come and gone over the past . . .

50 years

. . . but the future is today and in 1987 we will continue "Riding the Future".

Wetumpka High School opened its doors on August 21, 1986, for its 50th year in our present building. Classes began here in 1936. Over the years, WHS has given many students a chance to grow, a chance to learn, and a chance to make their dreams come true. The past half-century has brought forth many changes and has presented many challenges and struggles. Through all of the times spent working in class, studying, and laughing and enjoying life with friends, it has created a tradition of pride and spirit between its people which draws us together as one big family. Wetumpka High has also served to educate thousands of people over the last five decades. Although it will soon move to a new facility, it will continue to prepare students for the situations they will face every day.

Living, learning, growing, getting better all along, the people of Wetumpka move forward in time, *Riding the Future.*

Left: Wetumpka High School has housed students in its present facility since 1936. The present building will soon be replaced by a new school.

Top: While Coach Bazemore is out of the room, John Goodman, Ginger Burton, and Marti Eldridge enjoy a break. Bottom: Showing what it is like to be "tops" in Mrs. Williams' 4th period class are freshmen Bruce Taylor, Don Horsley, Ray Redmon, and Ewell Fuller.

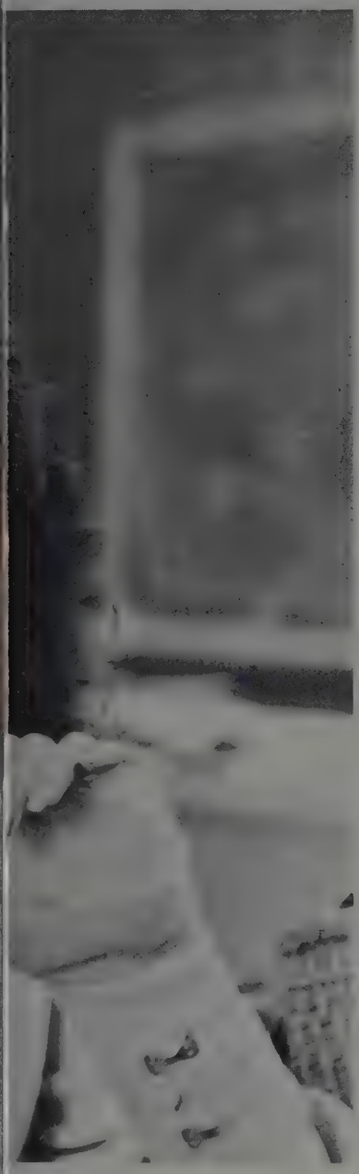
Far left: Michael Rawls shows the effects of lunch in the cafeteria while Rita Peake looks on. Left: After discussing the cost of graduation supplies, David Attaway asks Toni Bayles for a loan. Looking on are Chuck Hodgins and Luanne Wallace.

The effects of a bone-breaking weekend and another mind-boggling Trig class are shown on the face of Suzanne Mracek.

Faculty members have spirit, too, although some show more than others; like Mr. Mills.

Snuggling next to a large giraffe given away during the magazine sale are Ginger Trammell and Leigh Sanford.

Sophomores stand ready and waiting for the Tallassee pep rally to get underway.



Everyone is involved in the . . .

Excitement

of life, and taking time to do things right.

When you stop to think about all the different activities that take place at Wetumpka High, you realize how busy our student body is.

"Clubbing it" is one major activity that has Wetumpka High students involved in many different areas of work. Service projects have helped to earn an excellent reputation of workmanship.

Football, baseball, volleyball, and basketball, are among some of the best spectator sports in Elmore County. Students show their admiration as great FANatics by attending games and cheering our teams to victory.

The "Pride" is back this year in full swing; starting out with new uniforms, which gives them a new and proud look.

"After hours" is when the real fun begins. Weekends . . . The great escape begins on Friday afternoon and takes us many places, doing many things. A night out on the town might take us to various parking lots of the city or to everyone's favorite . . . McDonalds. After all the work we do during the week, we deserve to have a break.

"Coke is it!"—at least most students think so and numerous visits to the machines each day support the evidence. Taking a "thirst" break are Rodney Crenshaw and Melissa Thomas.

"Baseball fever . . . " is catching in the Spring. Supporting the Indians are Derrick Sikes, John Goodman, Bethany Williford, Tay Wood, and Suzanne Mracek.

A little extra effort is what it takes to make a difference in all we do. The students at WHS are willing to spend a little more time to make our experiences here productive and enjoyable.

From Friday night football games to the Senior cruise, we try to make our time count. Study time and extra-curricular activities combine to take up most of the clock hours; but when we relax we try to do it right!! The quality of the experience is well worth our time and effort and bring lasting memories in our success.

Student Life

Below: One of the most popular festivities during Homecoming is the parade. Shown here are the Varsity Cheerleaders. It seems that Andy Johnson and Keith Yarnell have spirit too. Right: Keith Cooper, Patrick Fagerberg, Travis Tyler, Charles Warner, Joel Sikes, Wayne Wofford, Craig Knight, and Wendell Mitchell put on a show for the camera.

Above: Excitement is built by the Juniors as they stand up for the Indians and cheer them on to victory. Right: Riding in the Homecoming parade is an exciting event. "Can't we do this every Friday?", asks Angela Cain, Youlanda Sagers, and Sandra Bozeman.

We Build Excitement

Above: The Pride of the Tribe helps to build excitement around WHS. Clapping to "Warpath", they keep the spirit high during pep rallys. Left: Juniors Amy Atkisson and Shannon King take time out during a pep rally to say, "We're Number I."

You Had To Be There

Above: Samantha Patterson, Sandra Macon, Teresa Brand, Donna Cawthon, Samantha Freeman, Monica Coleman wait for the parade on the Bridge. Above left: Juniors Joey Creamer and Cindy Smith cuddle for a quick snapshot during a football game. Right: What's the smile for, Jason? Must be satisfied with that lunchroom food!

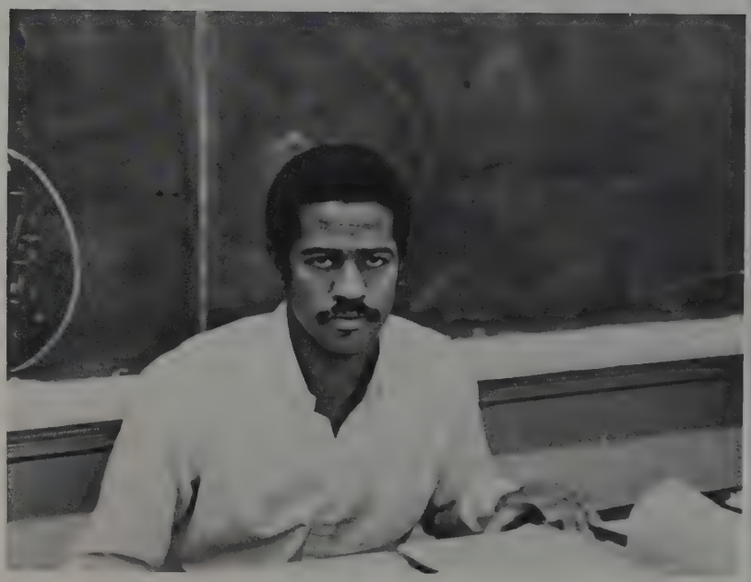
Above: Lee Smith, proud member of the tribe, takes off his hat to say 'We salute to you Wetumpka' on Homecoming Day. Left: Roger Clayton keeps careful watch over the Junior class float. Below: Ginger Burton says"?!*?"

Whats So Funny?



'What's so funny everybody? Don't you know getting an education is no laughing matter.' School is important but Wetumpka High Students know how to make the best of the hard work.

Joking around plays a major part in the extra-curricular activities of our students. Why did the chicken cross the road? . . . To get to the other side. Ha! Ha! Ha! Ha! Ha! Ha!

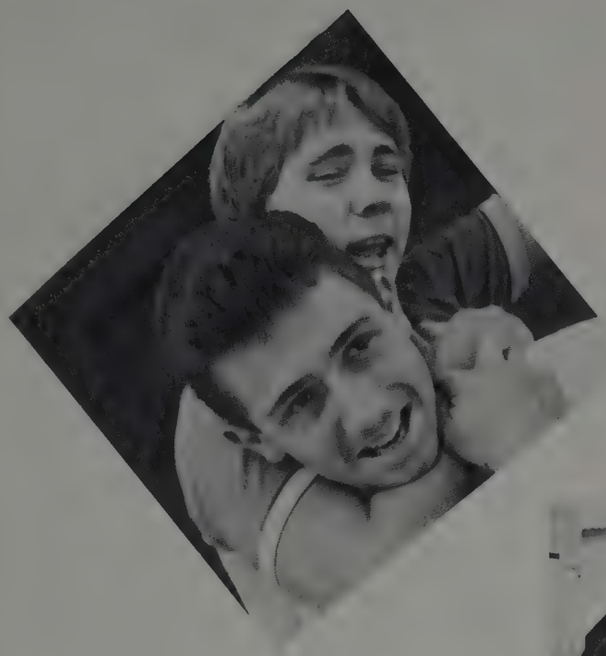
The Need of a Telephone Effects Student's Life

Six years ago the class of 1987 was asked on the Alabama Basic Competency Test to write a paragraph on the statement, "I need a telephone . . . " Their verbatim reply was . . .

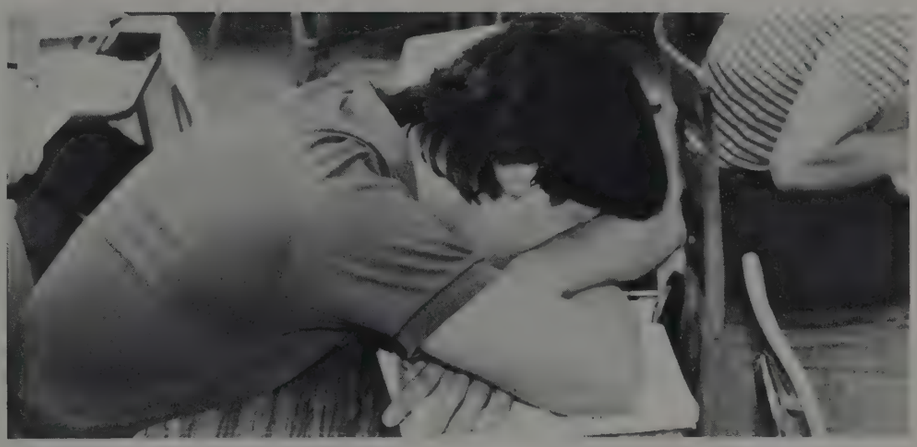
Belinda Birmingham: "I need a telephone because when someone need to go to the doctor in don't have know way, you can call a amlamp."

Rita Colquitt: "I need a telephone because I need privice."

Paul Coleman: "I need to call my cousin Eric and me and him always wanted to talk to each eight."



Tim Eller: "I need a telephone because I might want to call my friends and chit chat a while."



Mathew McCarty: "I needs the telephone just to say helo."

Mr. and

Leigh Ann and Bill are excellent choices for this honor. Bill serves as quarterback, punter, and also kicks-off for the Indians. He plays shortstop and pitches for the baseball team as well. He is a member of the Science and Spanish Clubs and was also selected for Who's Who Among American High School Seniors. Bill has been a class favorite for 2 years, lettered in football and baseball for 3 years, and was also chosen a Senior Beau. His hobbies include hunting, fishing, water and snow skiing, and he loves sports cars. Future plans for Bill are to attend the University of New Mexico and obtain his major of pre-med. When asked what his proudest moment has been, Bill replied, "Being chosen Mr. WHS." Bill is the son of Col. and Mrs. Charles Lawrence.

Leigh Ann is the drum major for the WHS Band of which she has been a member for five years. Before being chosen drum major, she was a majorette for three years. The daughter of Mr. & Mrs. Mark Peevy, she has represented her class as Sophomore and Junior Beauty and was chosen as a Senior Beauty this year. Her hobbies and interests are softball, swimming, and riding three-wheelers. Leigh Ann hopes to attend college and major in accounting. When asked what she would miss most at WHS after graduation, she replied, "I will miss all my friends."

Miss WHS

Also excellent choices for Mr. & Miss WHS are Rodney and Angela. Rodney's hobbies include relaxing, weightlifting, and playing football. The son of Mr. & Mrs. Jasper Crenshaw, he is president of the student body and Spanish Club. He was selected for Who's Who Among American High School Students, also. An outstanding member of the football team, he gained over 1500 total yards as tailback. His plans for the future are to attend college and major in electrical or mechanical engineering.

The daughter of Mr. & Mrs. Donald Lewis, Angela was very active in extra-curricular activities at WHS. She served as captain of the volleyball team which captured the Area 5 championship crown, and serves as co-captain of the basketball team. She was selected a Senior Beauty and has been a homecoming attendant in 9th, 10th, and 11th grades. She is a member of VICA and the Art Club. Angela hopes to attend the Southeastern Academy following graduation.

Enthusiasm Abounded

. . . as sixteen lovely young ladies vied for the title of Miss Warrior on March 21, 1986. Mr. Warrior

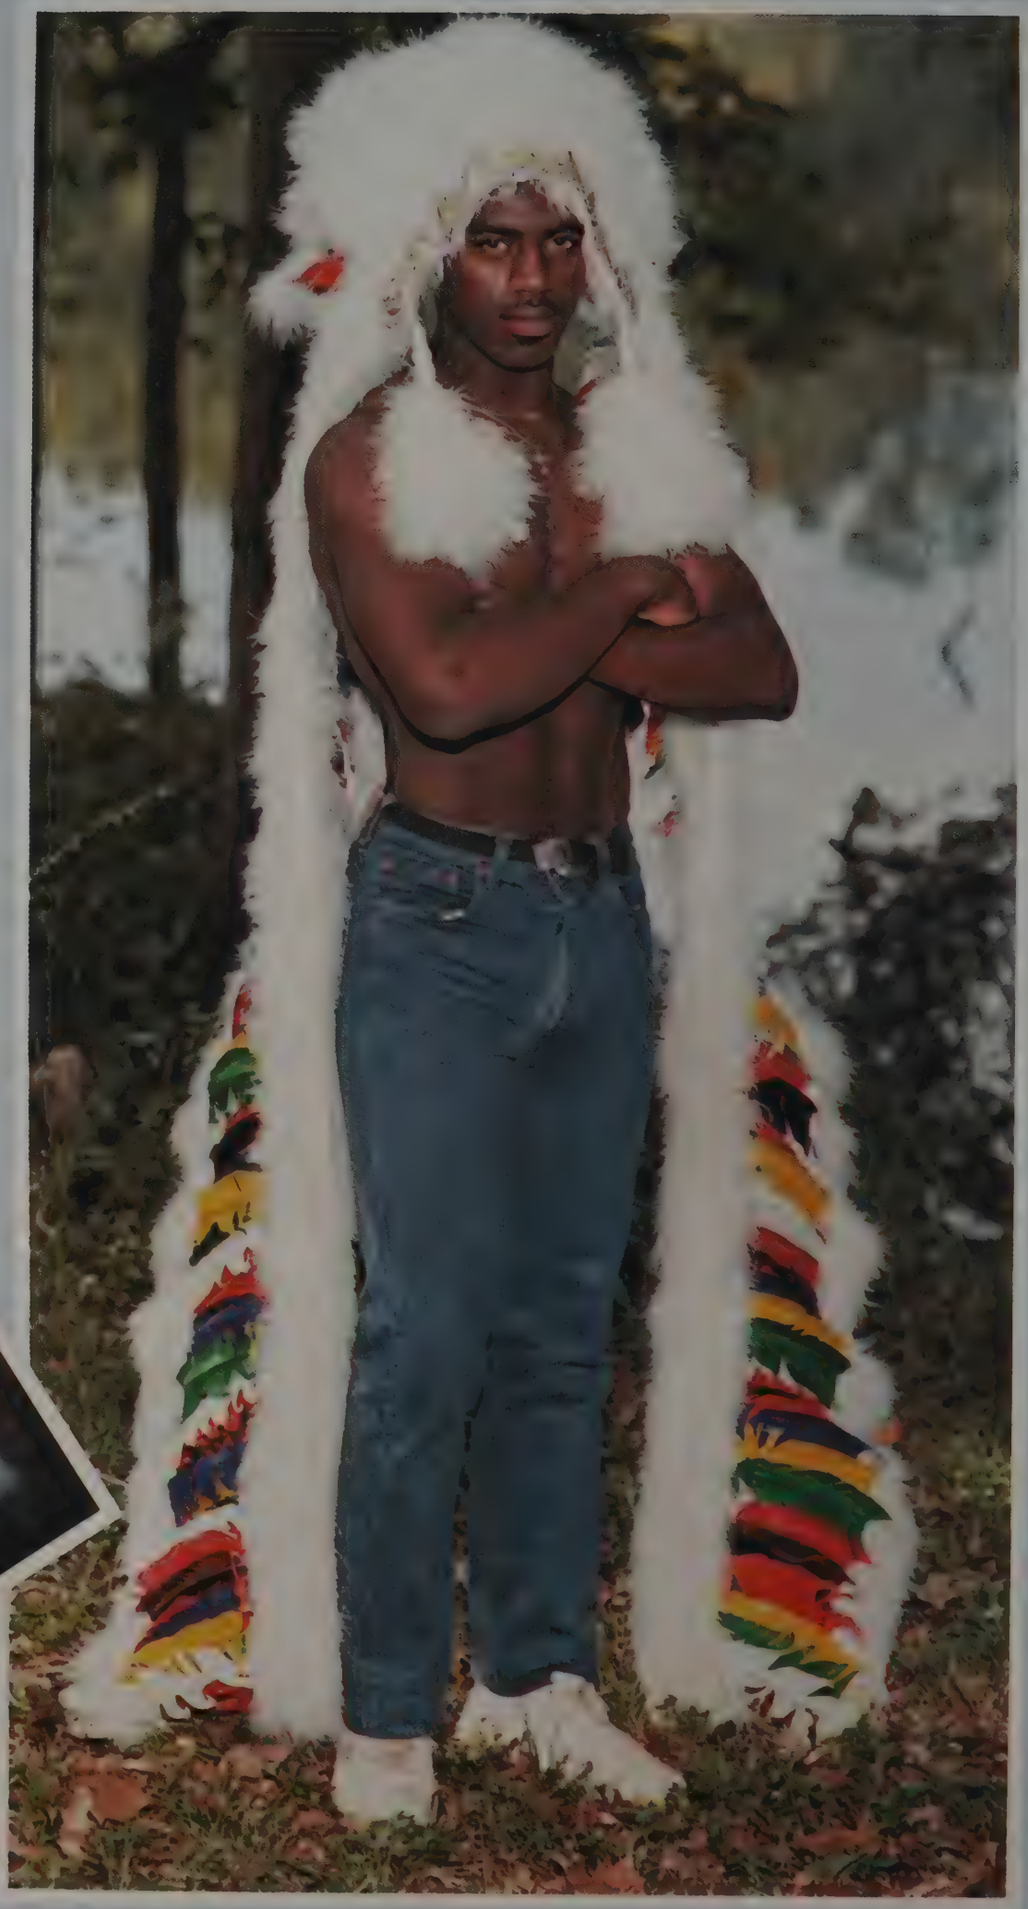
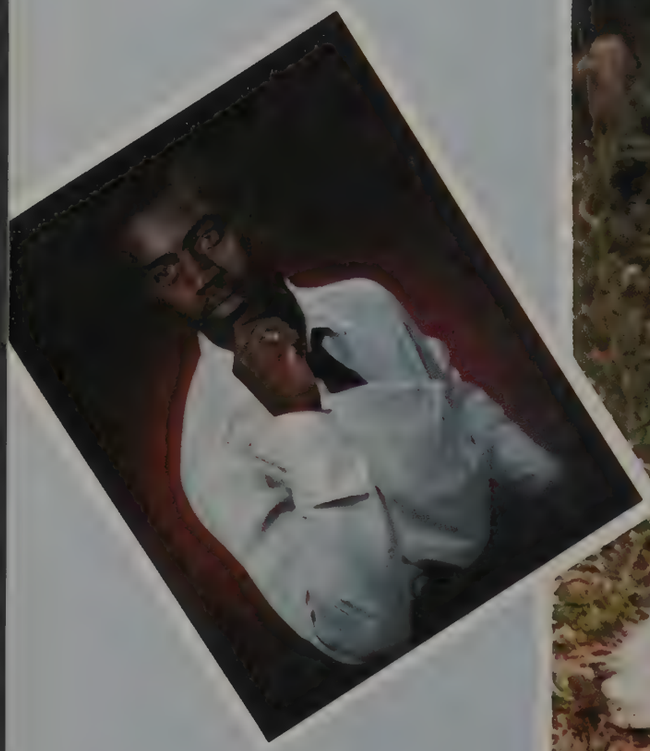
Harvey Holt

Mr. Warrior is chosen each year as an example of athletic ability and participation. Harvey Holt was chosen this year based on his involvement in football and weightlifting. The son of Mr. & Mrs. Hardie Holt, he holds the state record in the deadlift. A positive contribution to our football team as a fullback, Harvey received a knee injury early in the season which sidelined him until the final game. His spirit and enthusiasm inspired the team even when he could not play. When asked who had made the greatest contribution in his life, he replied, "My parents and the Lord." His other interests include fishing and softball.





Miss Warrior

Bethany Williford

"Being chosen Miss Warrior was a great honor", says junior Bethany Williford. The daughter of Mr. & Mrs. Richard Williford, Bethany is a Varsity Cheerleader and has been selected as a Class Favorite for the past three years. A former majorette, her other interests include shopping, talking on the phone, and twirling the baton. She is a member of the Yearbook Staff, Youth Legislature, FCA, and the Spanish Club. When asked, "As a Junior, what advice would you give to underclassmen", she stated, "Study hard and prepare yourself well." Bethany hopes to attend the University of Alabama and possibly major in political science.

Mr. and Miss Citizenship

Derrick Sikes

The son of Mr. and Mrs. Melvin Sikes, he is a member of NHS, SGA, Beta Club, Science Club and serves on the Yearbook Staff. He had the honor of being chosen to attend Boys' State and is listed in Who's Who Among American High Schools. Helping others is not just words with Derrick—as for several hours each afternoon he tutors students who need help in various classes. In offering advice to underclassmen, he says his biggest mistake was to take two advanced placement classes in one year, and advises others not to do that. The person he admires is President Reagan because of the large amount of responsibility he has.

Joyce Powell

A very capable staff worker, Joyce can be seen several times a day and all summer getting things taken care of in the check-out office. The daughter of Mr. & Mrs. Charles Jasper Powell, Sr., she is a member of the Beta Club and president of the Typewriting Experte' Club. Joyce takes an active role in helping others—as shown by her hard work in being named the top salesperson during the magazine drive. She most admires her parents because of "their support and love". She advises underclassmen to "work hard and strive for the best."

The WHS faculty is priviledged each year to choose the Senior boy and girl who best exemplify the ideals of service, courtesy, character, and positive school spirit. This year, two deserving young men tied for this honor along with an equally deserving young lady. All are good choices as each is always willing and eager to do their part—and more—whenever asked.

Chris Murchison

An outdoorsman, Chris enjoys hunting, fishing, and playing baseball. He is an active member of the Future Farmers of America, and was a part of the small engines team which placed second in district competition. He can usually be found in the Ag shop building or repairing something or just helping out. Chris is the son of Mr. & Mrs. Tommy Murchison. He hopes to attend technical college and major in welding.

Miss Homecoming

Kristy Burgess

For the past fifty years, Wetumpka High has had a lovely Homecoming Queen. This year is no different. Chosen from among twenty candidates, Kristy Burgess, the daughter of Mr. and Mrs. Allen Burgess was elected. Being Homecoming Queen is just one award out of many she has received. Some of the others are Senior Beauty and Who's Who Among American High School Students. Kristy is also active in FCA, Beta Club, SHS, NHS, Science Club, Annual Staff, and is a Varsity Cheerleader. Her plans in life are to go to Auburn University and major in Business.

Escorting Kristy during the pre-game crowning ceremony is Russell Tyler.

Homecoming Court

Drawing much attention during the Homecoming Parade, the Queen's Float which was built by the Senior Class, included Freshmen Attendants Faye Golden and Stacy Abrams, Sophomore Attendants Kristi Mancuso and Felecia Swindle, Junior Attendants Shona Mullins and Julie Adams, Senior Attendants Cindy Lee and Stephanie Cook, and Queen Kristy Burgess.

Congratulations to all the young men and women whose pictures I judged. To me all of you are beauties and beaus. However, it was my task to choose the top five out of ten for each of the girls and boys. Forgive me if you weren't in either of the five. I've judged before and this was the hardest for me to do!

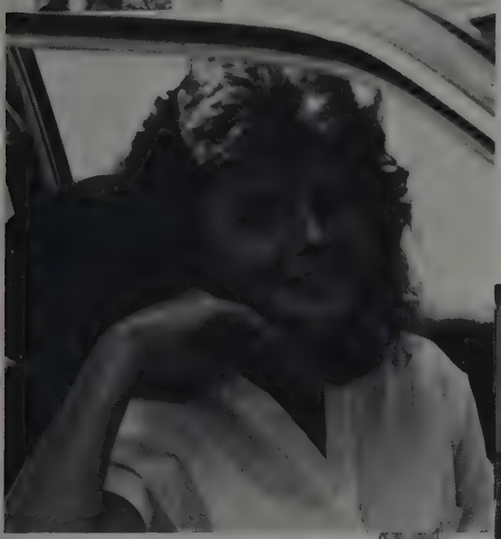
Again, congratulations to all and may God bless you.

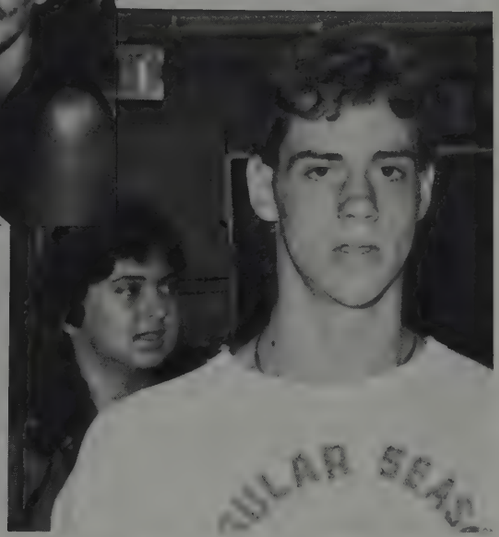
Sincere thanks,

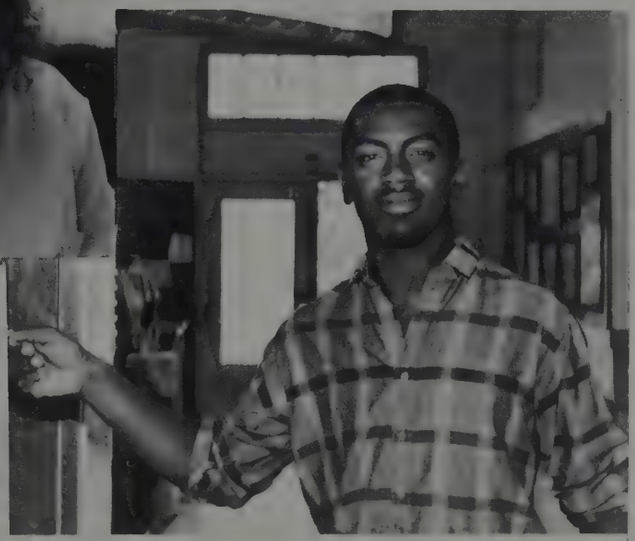
Terry Beasley

Note: Mr. Beasley was a former member of the Auburn Tiger Football team and the San Francisco 49ers. He is most remembered as the receiver of most of Pat Sullivan's passes in the "Sullivan-Beasley" era at Auburn. Our thanks to Terry for his help in selecting our Beauties and Beaus.

Everyday with the B/B's

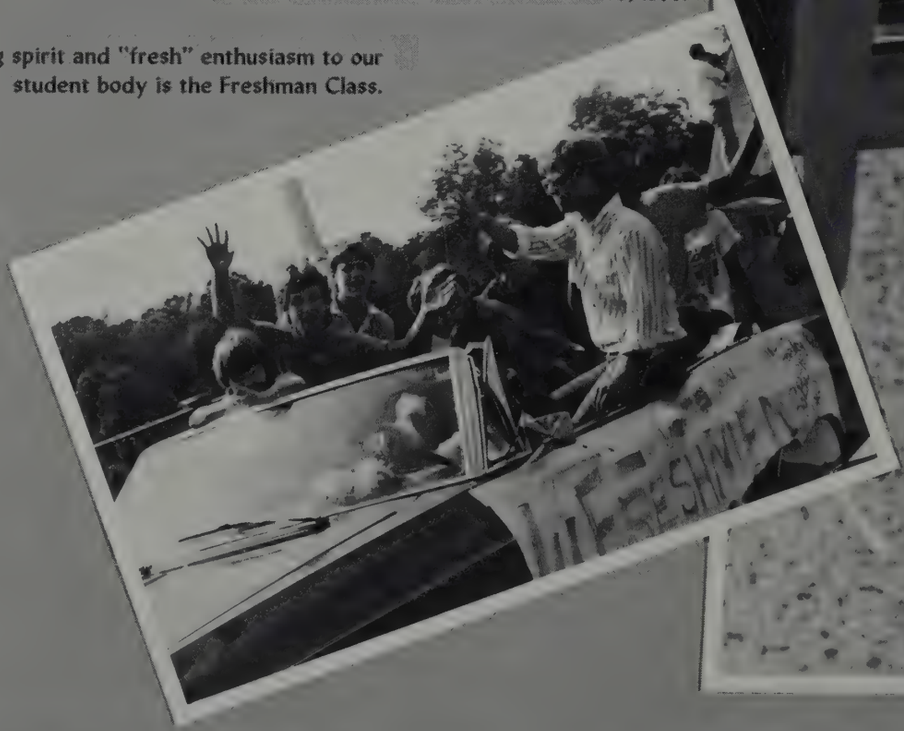






Bright sunshine and hot temperatures beckons as Patrick Hale decorates for Homecoming, October 3, 1986.

Adding spirit and "fresh" enthusiasm to our student body is the Freshman Class.



The people are as varied as the ages—but each one adds a distinctive flavor to our student body. Some come to school for the social interaction, some because of nothing better to do, others because Mom and the law says we must, others because we want to learn, a few for lunch, and many for a combination of these reasons. Whatever our reasons, we are riding into the future as the best student body in the county.

This spotlight finds Eric Mayes, the son of Barbara Taylor and Horace Mayes. Eric was a linebacker for the Varsity Indians, and would like to be able to play college football. Looking back on his football career, Eric thinks his toughest game was the Stanhope game during his sophomore year. He believes this may have been because it was his first year playing and he wasn't very big at the time. Other than playing football, Eric enjoys tennis and weightlifting. His best memory of his high school days is when he placed second in the state weightlifting championship last year in Greenville. When asked what he would miss most at WHS, Eric said, "I will miss my friends and playing high school football." Eric is a library aide and a member of the Browsers Club.

"The atmosphere and the people" are what she likes best about WHS. In her spare time, she likes to read, play putt-putt golf, and she likes "men in general." In recounting the "funniest thing that ever happened to you," Patty told us an interesting tale of her and Tina Burrell being chased off private property by a man in a big truck. We'd venture to say that wherever Patty roams, things will always be interesting.

Sophomore Spotlight . . .

Here we find Bruce Wilson. He is the son of Jessanna and Norman Wilson. He is a member of the Spanish Club and the Pride of the Tribe, where he plays saxaphone. He attends the Union #1 Baptist Church in Titus. Bruce thinks WHS is a fun palce, "sometimes". When he's not in school he likes to travel and meet new people, and watch T.V. Another of Coach Washington's fans, he says English is his favorite subject. He would like for people at WHS to remember "my smiling face". Bruce hopes to attend Clark College in Atlanta, Georgia after graduating from high school.

Winning baseball teams are a tradition at WHS, and provide much fun and entertainment for its fans.

Girls' sports are on the move at WHS. Our Volleyball team holds the title of Elmore County Champs.

As with most schools in our country, sports at WHS plays a major part in keeping students in school. Winning has definitely become an important part of our sports program. In the decade of the 80's we have won a State Basketball Championship, a State Baseball Championship, and a State Cheerleading Championship. We have had perfect football records in '82 and again in '84, and have participated in numerous Area championships in football, baseball, and the girls' programs in volleyball and basketball. Dedication, hard work, and good coaching will keep the winning tradition alive and strong as we ride into the future.

Highlights

The Wetumpka Indians jumped out to an excellent start the first game of the season against the Tallassee Tigers. The Indians drove 62 yards in the first quarter with Rodney Crenshaw scoring on a four yard pass from Bill Lawrence. The PAT failed. The next Indian possession Crenshaw bolted 25 yards for another TD. Lawrence hit Roy Hollenquest for the two point conversion. The Tigers scored within minutes of the half and converted for two points to make the score 14-8 at the break. In the second half, the Indians exploded on TD's by Harvey Holt, Daryl Crenshaw, and Rodney Crenshaw. The Tigers scored a late TD, making the final score WETUMPKA 40, TALLASSEE 16.

A steady rain which began in the early afternoon held on to cause a 30 minute delay in game time as the Indians traveled to Childersburg. The rain drenched field slowed down the Indian attack, but a stout defense did not allow the Tigers to cross midfield the entire first half. The Indians proved to be their own worst enemy as they fumbled four times. At the halftime break the game was scoreless. The third quarter yielded no points as the Indians fumbled two more times. With 8:46 remaining in the fourth quarter, an Indian drive allowed Danny Ruskin the opportunity of kicking a 25 yard field goal and the Indians held on for their second win. WETUMPKA 3, CHILDERSBURG 0.

The Indians traveled into new territory to capture their third win from the Chavala Wildcats. The first half was scoreless as tough defenses on both sides held their ground. Just before the half ended, Rodney Crenshaw intercepted a Wildcat pass and returned it for a TD. Ruskin's extra point was good, and the Indians led at half 7-0. The second half proved to be another defensive ballgame. Early in the fourth quarter, Daryl Crenshaw recovered a Wildcat fumble which eventually led to a three yard run by Harvey Holt into the endzone. The final score read WETUMPKA 13, CHAVALA 0.

The Wetumpka Indians captured their fourth victory of the season against the Pike County Bulldogs of Brundidge. The game started with two changes of possession, one right after the other. Eric Mayes intercepted and returned to the Bulldog 42, setting up the first Wetumpka score. The Indians got the ball back on another interception by Mike Celka. The Indians drove the length of the field for a Harvey Holt TD. After forcing a Pike County punt, the Indians went to work again as Bill Lawrence threw a pass to Steve Yarnell to make it 20-0 at the half.

The only score in the second half was a 31 yard touchdown pass from Lawrence to Stevie Smoke, making the final score WETUMPKA 26, PIKE COUNTY 0.

The Indians faced their first of four tough games as they lined up aginst the Clanton Tigers. The Tigers broke the ice early on a short TD run, but the Indians closed the gap with a fieldgoal by Danny Ruskin. Late in the second quarter, the Indians scored to make the score 9-6 at the half. Wetumpka scored in the third quarter with another Ruskin fieldgoal. Clanton recaptured the lead in the fourth to make the score 13-12. On the following kick-off, Rodney Crenshaw returned the ball for a 97 yeard TD, preserving the victory and keeping the Indians undefeated after five games. The final score read WETUMPKA 20, CHILTON COUNTY 13.

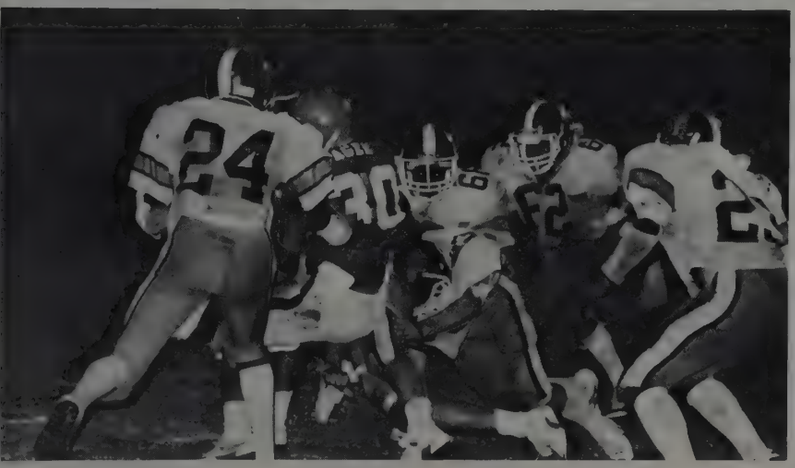
Troy's Charles Henderson Trojans rolled into town and promptly ruined Homecoming. Wetumpka started the scoring on a 31 yard run from Rodney Crenshaw. Ruskin kicked the PAT. Early in the second quarter Wetumpka struck again on a 9 yard strike from Bill Lawrence to Stevie Smoke. The PAT failed. Luck would be with Troy as they picked up their own fumble and ran it 52 yards for a TD, making the score 13-7. Wetumpka was not through yet, as they drove down and scored on a Lawrence pass to Roy Hollenquest. The Indians missed the try for two making the score 19-7 at the half. After a scoreless 3rd quarter, Troy took control of the game and ran off 22 unanswered points giving Wetumpka their first loss and making the final score, WETUMPKA 19, CHARLES HENDERSON 29.

The Indians journeyed to Alex City to play the Benjamin Russell Wildcats. The 'Cats jumped out to an early 10-0 lead until Rodney Crenshaw scored the only Indian touchdown of the first half off of a screen pass from Bill Lawrence. The halftime score was 16-7. In the third quarter the Indians fumbled twice losing the ball deep in their own territory leading to a 37-7 score. Wetumpka then scored a final time on another Lawrence to Crenshaw screen pass good for a 78 yard TD. George Jones scored the 2 point conversion. After a long and bruising night, the final score was WETUMPKA 15, BENJAMIN RUSSELL 44.

Wetumpka took their third straight loss of the season, being defeated by Stanhope Elmore. Wetumpka took a 7-0 lead early when Bill Lawrence hit Daryl Crenshaw for a nine yard TD. After that it was all Stanhope as they came right back and answered with a 65 yard drive and TD to make the score 7-6. The onside kick was recovered by Stanhope and they marched in for their second score. The Mustangs scored again in the second quarter to lead 20-7 at the half. The second half was a defensive struggle as neither team moved the ball, but the Mustangs would score one more time to make the final tally, **Wetumpka 7, SEHS 26.**

WHS traveled west to face the Southside Panthers of Selma. The Indians were sporting a three game losing slump. Wetumpka opened their first drive with a Rodney Crenshaw TD. On the following kickoff, Southside fumbled on their own nine where Sam Lucas recovered the ball and ran in for another Indian TD. Moments later, the Indians struck again on a Lawrence one-yard TD run. The defense went back to work as Rodney Taylor intercepted a pass and ran the ball back for 60 yards and a TD to make the score 28-0 at the half. Southside came out fired up in the second half and got a quick turnover for their only touchdown of the game. Wetumpka got it together with a Lawrence 20 yard touchdown pass to Danny Ruskin. The Indians went on one more scoring drive ending with a Bradley Townsend touchdown to make the final score, **Wetumpka 45, Southside 6.**

Halloween night found the Eclectic Panthers in town for the final regular season game. ECHS scored on the first possession of the game, but the Indians answered with a Rodney Crenshaw run of 55 yards for a TD. Eclectic scored again late in the second quarter but Lawrence hit Rodney Crenshaw for a 58 yard touchdown and it was tied 14-14 at the end of the first half. On Wetumpka's first possession of the second half, Daryl Crenshaw raced 77 yards for a TD to put Wetumpka ahead. Again Eclectic countered with a 55 yard run to tie the score. The Indians then drove to the 8 yard line where Danny Ruskin booted a field goal. The Wetumpka defense held for the remainder of the game while the offense added two more touchdowns. In what many would term "the most exciting game of the season," the final score would read **Wetumpka 37, Eclectic 20.**



Many had felt the Eclectic game was the most exciting of the season until the State playoffs when the Indians took a tough defeat from the Chilton County Tigers. Clanton got on the board first as Clanton's Agee ran it in from the five yard line. On the following kickoff, Rodney Crenshaw ran it 95 yards for the first Indian score. On the Indian's next possession, Bill Lawrence threw a 53 yard pass to Steve Yarnell to put the Indians up by 7. The defense held. The next Indian score occured when Bill Lawrence threw another 6 yard pass to Steve Yarnell. The Indians went into the half with a 20-7 lead. In the third quarter everything went Clanton's way as they scored 19 points to have a 26-20 lead. The Indians scored their first comeback score with a three yard run by Rodney Crenshaw to make the score Clanton 33, Wetumpka 26. With two minutes left, Wetumpka mounted a last ditch effort to pull the game out. On fourth down Lawrence connected with Yarnell to make the Indians down by one point. Lining up to try for two, an Indian off-side call moved them back. Lining up again, they decided to kick the PAT in hopes of putting the game in overtime. The point after failed, and the Indians dropped a heartbreaker to the Tigers. Final score, **Wetumpka 32, Chilton County 33.**

86-'87 Varsity Cheerleaders

With only three members having been on the '85-'86 squad, WHS fielded a squad in which inexperience was the norm. Despite this, the year was a success with the team rating superior at NCA camp and being a hit with the fans by introducing many new ideas into pep rallies and games during the year.

'86 Baseball

A successful baseball season was climaxed by the Indians beating Stanhope-Elmore for the area title and a berth in the state play-offs. Sylacauga was the first challenge and even though it was a tough match, the Indians rallied late and came out victorious. This gave the Indians a slot in the final eight in the state, and brought a match with Demopolis High School. The Indians gave it their best effort, but came up a little short in an 11-6 loss to the Tigers. Even though the team failed to win the state title, they finished the season as the second best team in Wetumpka history.

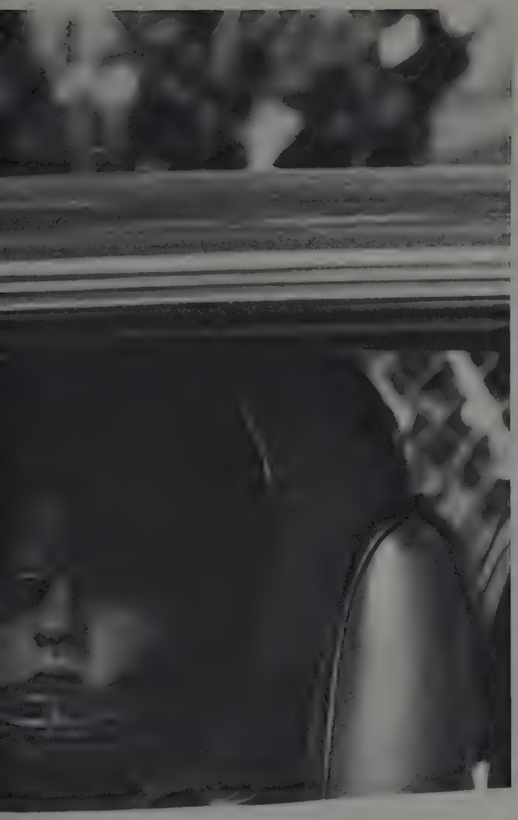
Supporting the Indians encourages many of our organizations to sponsor entries into the Homecoming parade.

Admonishing Wetumpka students to do their best, State Superintendent Wayne Teague speaks to the student body during National Honor Society induction ceremonies on April 4, 1986.



"Will the meeting please come to order", echoes through the halls of Wetumpka High on the third Tuesday of each month. Clubs and other organizations provide vital leadership and involvement opportunities to us. Indeed, our school experiences would be dull without the melodic strains of the "Alma Mater", the rapping of the gavel, or the worthwhile projects and fun adventures our organizations provide.

Dear Students,

We hope you enjoy our production of the '87 We Wa Tumpkis. Some of us have spent many hard hours getting it prepared. This book contains 216 pages and is produced by the Herff Jones Company. We would like to thank everyone who has had a part in making our book complete. As we "ride into the future" with anticipation and perhaps a little uncertainty, we hope this book will hold lasting memories for you.

Sincerely,

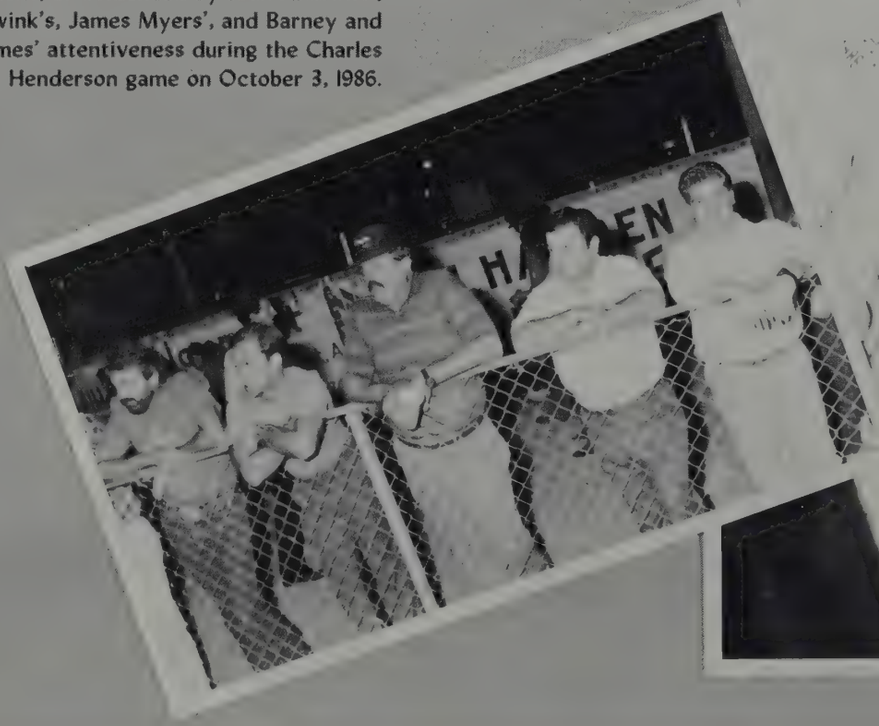
A big hat, balloons, and Brenda Ball grace the Spanish Club entry into our Homecoming parade.

Indian support comes in all ages and avocations, as evidenced by Jack Andrews', Jimmy Swink's, James Myers', and Barney and Ray Thames' attentiveness during the Charles Henderson game on October 3, 1986.



Support, as defined by Webster, means "to promote the interests or cause of". Certainly, this describes the efforts of those who patronize our school events and endeavors. Without the encouragement and monetary sponsorship of the people of Elmore County, many programs at WHS would not be possible. We take this opportunity to tell each of you—"Thanks for the memories—we certainly could not carry on without your help."

Riding the Future

No more football games or half time shows
No more parent teacher conferences as some of us
know
No more warning bells or tardy slips to go
And, at last, no more homework while watching
the late night shows.

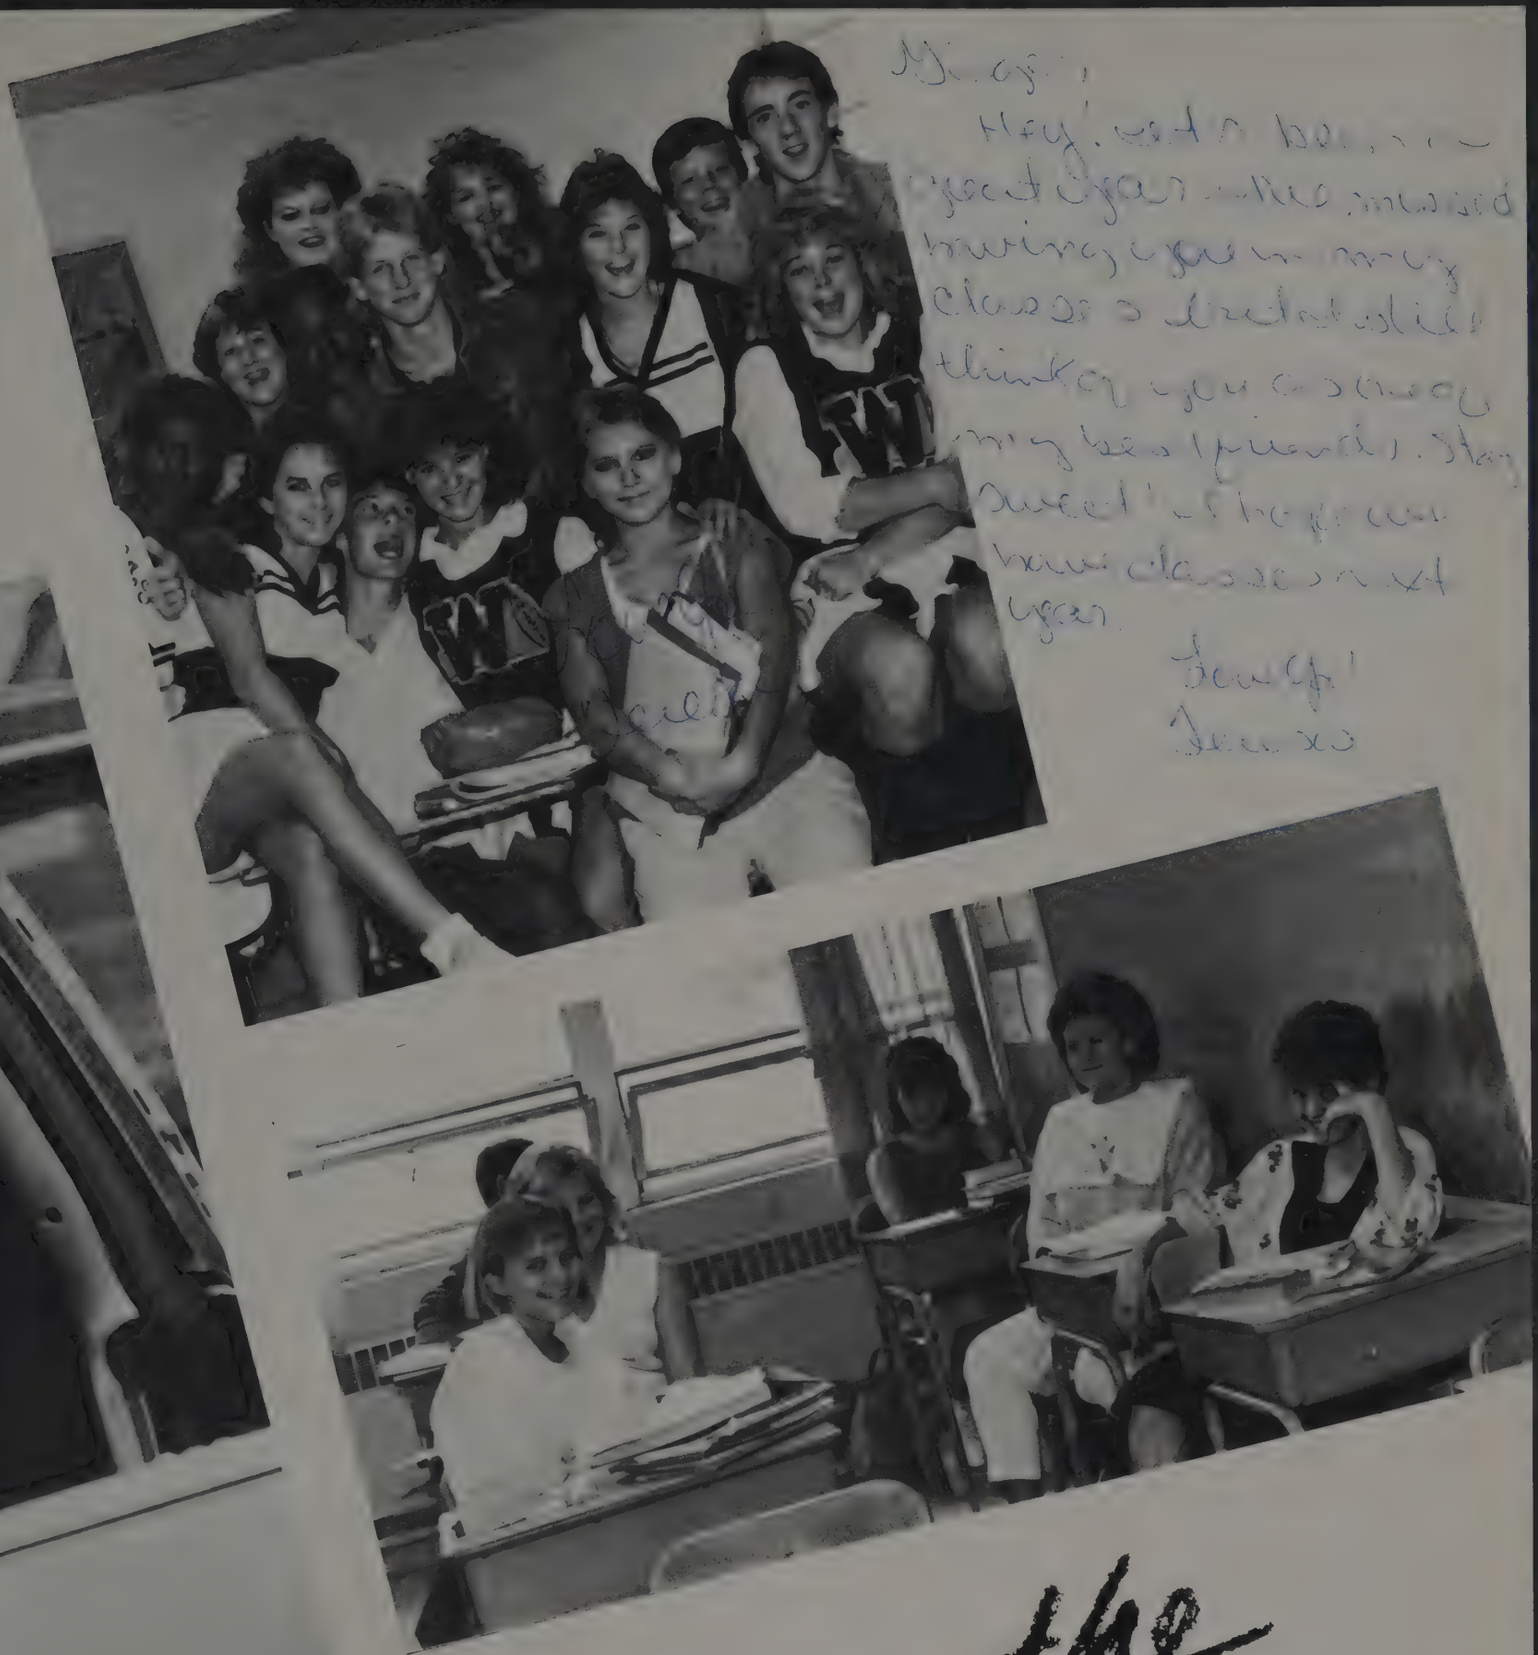
As the year comes to an end
We think of these things as they have been.
They have been part of our youth from the start.
These memories lie forever in our heart
Although the memories are good and bad
our friendships are never sad.

Now as we start out on our own
We'll never forget all the good times we've known.
With a tear in our eye, yet a bounce in our step.
We'll leave this small town knowing it's not over
yet.

It's just a beginning for the Seniors this year
Who will face life ahead without a fear.

So here we have placed all these memories
in a book.
Together with all the pictures that we took.
It's one step forward and not one look back
Riding the Future is in our tracks.

Méchel Hood



Riding the Future . . .

Ginger,
hey girl!
It was really
nice having you in
my classes this year.
Biology was fun! (Ok, worm &
crayfish!) I think we will all have
remember Mr. Kleyzle. I hope to have
you in some of my classes next year!
Be good over the summer and stay exactly
the way you are!!
Ashley

Nonne's!

Love ya,

Ginger

I guess I've enjoyed eating lunch with you this year and having classes with you. Hope I can next year.

Craig

Ginger,

Well, here we are about to become big, bad juniors. Can you believe it? We've come a long way from Mrs. Coker's 7th grade English class. We've both been through alot. My parents & ~~your dad~~ my stepparents, your father and his heart. (This is very serious). Who know what all we can cope with? There's just one thing I hope you know, I will always be there for you. Even though you & I sometimes have differences, like boys, I know we will remain friends forever.

You want to know what else I think? I think, no in fact I know that you will go to the top with your music!! I just know that one of these days the climbing will start. "Deserted Beach" is such a lovely song. I want you to know, that I consider myself honored to have known you when you where a "nobody", I really am proud of you. (Also the big 23)!!!!

This year we have had all of our classes together. Maybe we will be just as lucky next year. I hope so. This summer is going to be a blast. You know, Gulf Shores, the lake, and maybe even Florida. We also are going to start going out alot. With your driver's license and mine, there will be no stopping. (though we will have to take Teresa because she "lights" up our activities) We'll be the 3 amigas!

We'll be out of school before we know it. Then we will be on our own in ~~the~~ life. That sure will be fun HA! HA! Well one more time, I really really cherish our friendship.

Love ya always,

Kelly

I wonder who these people could be?

Ginger,

Hey sweetie! well you will be a bad junior next year and I'll only be a sophmore. Bummer! I'm glad we are friends despite our differences over whoever "I may like Hint, (aka Jerk) and the new one "T." Maybe "Bulge" will take notice of someone, like us, soon.

Lylostdduptfo aa is,

Tina
